The school Principal determines optimal class sizes. Classroom placement will be determined by the Principal after review of all records. If, after the records are reviewed, a concern exists about a student's appropriate placement, a conference will be scheduled.

All transfer students will be placed on a six month academic and behavior probation period. An academic screening will be required before grade placement is confirmed. The school office will contact parents in May to schedule a date for the screening.

I certify that the information given here is accurate. I understand that offering inaccurate or incomplete information could result in a student's dis-enrollment from St. Joseph School.
