St. Joseph School Enrollment Form

Nothing contained herein is intended to, or shall be construed to create any contractual obligations, expressed or implied, on the part of the Diocese of Harrisburg or St. Joseph School.

Students are accepted on a provisional basis. Enrollment will be final when the school principal has received and accepted all prior records. I understand and accept that enrollment in St. Joseph School is a privilege for our children and all new students will be on academic probation for six months. Available spaces are offered first to members of St. Joseph Church, and second to members of other Catholic Parishes and members of the York community. The school principal determines optimal class size. St. Joseph is operated as a faith community, not as a commercial or secular enterprise. The school provides an opportunity for the teachings of Christ. Consequently, the payment of tuition may not be considered as creating a commercial or contractual relationship between the school and parents.

I understand and accept that tuition payment is a serious parental responsibility that must be fulfilled in a timely fashion. Registration fees are non-refundable. Tuition fees may be refunded at the discretion of the school principal. I know and will abide by the school policy that no transcripts will be forwarded, nor will academic reports (progress reports, report cards) be given unless all tuition and other fees are current and paid in full.

The contents of the handbook are subject to alteration or modification by the school, as circumstances may require.
