

Textbook, Instructional Material & Equipment Loan Agreement

Act 195, Section 9-923-A of the Public School Code and Act 90, authorizes the Secretary of Education to purchase textbooks, instructional materials, and instructional equipment, which may be loaned to all children residing in the Commonwealth who are enrolled in kindergarten through grade 12 in nonpublic and private schools. Our school is now in the process of requesting specific textbooks, materials and equipment to be loaned to your child(ren).

The law requires, however, that a parent/guardian of each child attending the nonpublic or private school individually request a loan of textbooks, instructional materials and instructional equipment.

The enclosed individual request form fulfills that requirement. Please sign the form, date it, and return it to the school office.

Thank you for your continued assistance and cooperation.
